NOTIFICATION

This application is before the Office of PCT Legal Administration for consideration of issues under 35 U.S.C. 371.

On 30 August 2006, applicant filed national stage papers in the United States Designated/Elected Office (DO/EO/US) electronically via EFS-Web. The submission included, *inter alia*, a Transmittal Letter, an Application Data Sheet (ADS), and a preliminary amendment. The international application number keyed into EFS-Web was PCT/GB05/00758. The ADS also indicates the international application number as PCT/GB2005/000758. However, the Transmittal Letter indicates the international application number as PCT/GB2005/000785.

Applicant is required to file a reply to this communication resolving the above-stated inconsistency. A proper reply would include a petition under 37 CFR 1.182, including the petition fee set forth in 37 CFR 1.17(f), to correct the Transmittal Letter (The petition should set forth the specific circumstances as to how and when the error was made and should set forth that the mistake was an inadvertent error without deceptive intent).

A proper response must be filed within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are available. Failure to timely file a proper response will result in abandonment of the application.

Any further correspondence with respect to this matter should be directed to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration or electronically filed utilizing the USPTO's EFS-Web electronic filing system..
